**REGARDING INSURANCE:**

We do not participate in all vision or medical plans. It is your responsibility to provide us with your insurance information when you make the appointment and/or arrive for your appointment. Most insurance companies require pre-authorization. If you do not provide this information upon arrival, then you are responsible for all fees, deductibles, co-pays and any extras not covered by your insurance. All payments are due at the time of your appointment because we do not routinely bill or mail statements.

**PUPIL DILATION**

Pupil dilation is an important and strongly recommended test. It requires the doctor to instill eye drops to keep the pupil open and get a better view of the structures of the back of the eyes.

This test is used to evaluate eye diseases such as:

- 1) cataracts 2) glaucoma 3) tumors 4) retinal detachment

This test is required for patients who have:

- 1) diabetes 2) hypertension 3) a strong prescription 4) any known eye disease

Side effects usually last 2-4 hours and include:

- 1) sensitivity to light 2) blurry vision at near 3) possible distant blur

Driving is usually not impaired; however, you should schedule the dilation for another day if you feel uncomfortable operating a vehicle under these conditions.

**The fee for DILATION is \$55.00**

Please indicate your preferences:

\_\_\_\_\_ I would prefer my eyes dilated today.

\_\_\_\_\_ I decline dilation, understanding that a condition with a potential for vision loss may go undetected.

Patient/Parent signature \_\_\_\_\_ Date \_\_\_\_\_

When was the date of your last pupil dilation exam? \_\_\_\_\_

**CONTACT LENS POLICY**

Contact lenses are medical devices. New Jersey state law mandates that at least one follow up visit is required after the initial exam to evaluate the contact lenses. Should you need more than TWO follow up visits, it will be at the Doctor's discretion to charge for a follow up visit which is \$25.00

All follow up visits need to be completed within TWO months (8 weeks) of the initial exam.

A fee of \$25 will be charged if the follow up visit is between 2-4 months.

A fee of \$50 will be charged if the follow up visit is between 5-6 months.

A new contact lens exam will be required after 6 months and FULL fee for the exam will be charged.
